Pharaoh's Dream And The 2016 Economic Boom: 7 years of plenty to prepare for the Tribulation
Daniel Speck
Pharaoh dreamed of seven fat cows eaten by seven lean cows. Joseph revealed God's interpretation to be seven years of plenty followed by seven years of famine. As a prophetic picture of the days of Christ's return, Pharaoh's dream prophesied not only of a seven year Tribulation, but also seven years of plenty that will precede it. The seventh trumpet rapture and return of Jesus in 2030 (according to a 2,000 year Church age) places the start of the Tribulation seven years before that, in 2023. If there is to be seven years of plenty, then we can expect to see an economic boom beginning in 2016, an opportunity for believers to prepare for the "hour of testing…which is about to come upon the whole world." Revelation 3:10.
