Teach Me Phoenix
Just as Dr. Aminah Goodwin, a successful college professor and independent spirit, thinks that she has settled into middle age without any foreseeable excitement left in her 10 year marriage, she is far from mistaken. Despite the embellishments of success, her marriage has lacked intimacy and attention and while her husband is away on one of his many business engagements, a once innocent encounter with one of her students turns into an ongoing adulterous affair riddled with just the passion she needs to satisfy her long awaited craving. She is completely consumed and begins to prefer wild enchantment over stability. The sensual affair changes their lives irrevocably. 'Teach Me' is spliced with sexual escapades, submission, and betrayal. Aminah's preconceived morals and advice from close friends are not enough to resist the affection, charm and uncompromising demands from another man no matter what it may cost. When the affair turns into a dangerous relentless pursuit, Aminah must quickly reevaluate her decisions in an attempt to salvage her career and marriage and withdrawal from the very vice that drove her to the very edge of desire. An extramarital affair is risky business in any state but the grass may not always be so green on the other side... Read this: "I will take you on a journey through the scandalous relationship of an unhappily married college professor. Aminah Goodwin has fallen victim to her own lust and the charm of one of her students, Micah Ford. The encounters that ensue between Aminah and her secret lover are mind-blowing and the ending will leave you speechless." Allow Phoenix to provide you with the freedom of expression, the freedom to ask, the freedom to fantasize. Enjoy.
