Jan Švankmajer

Touching and Imagining: An Introduction to Tactile Art (International Library of Modern and Contemporary Art) Jan Švankmajer
Jan Švankmajer wrote this remarkable book on tactile art when he stopped directing films after censorship by the Czechoslovakian government and experimented intensively with tactile phenomena and the creative imagination. Illustrated with over 100 images, the book is organized around many reproductions of Švankmajer's wondrous tactile art objects, tactile poems, experiments and games. It also includes dialogues with, and artworks by, other collaborating artists from the Group of Czech and Slovak Surrealists. Švankmajer also gathers together as contributors such notable exponents of tactual experience as Edgar Allen Poe, Guillaume Apollinaire, Salvador Dali, Marcel Duchamp, Meret Oppenheim, Ay-O, and F.T. Marinetti.

Michael Havas, producer of some of Švankmajer's films, says of the book: 'it is typically Švankmajer: erudite and very consequential. Sometimes also very funny and erotic. Totally unique.'

From reader reviews:

Katherine Belcher:

Reading a e-book tends to be new life style in this era globalization. With examining you can get a lot of information that can give you benefit in your life. Along with book everyone in this world may share their idea. Books can also inspire a lot of people. Plenty of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Touching and Imagining: An Introduction to Tactile Art (International Library of Modern and Contemporary Art).

Diana Brunswick:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get lot of stress from both day to day life and work. So , if we ask do people have free time, we will say absolutely yes. People is human not really a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to a person of course your answer can unlimited right. Then do you ever try this one, reading publications. It can be your alternative in spending your spare time, the particular book you have read is usually Touching and Imagining: An Introduction to Tactile Art (International Library of Modern and Contemporary Art).

Beth Kelly:

Would you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you just dont know the inside because don't judge book by its handle may doesn't work is difficult job because you are frightened that the inside maybe not while fantastic as in the outside appear likes. Maybe you answer may be Touching and Imagining: An Introduction to Tactile Art (International Library of Modern and Contemporary Art) why because the amazing cover that make you consider about the content will not disappoint anyone. The inside or content is fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Alice Prahl:

Are you kind of active person, only have 10 as well as 15 minute in your time to upgrading your mind proficiency or thinking skill also analytical thinking? Then you are having problem with the book in comparison with can satisfy your short period of time to read it because all of this time you only find e-book that need more time to be examine. Touching and Imagining: An Introduction to Tactile Art (International Library of Modern and Contemporary Art) can be your answer since it can be read by a person who have those short free time problems.
