A New World In Our Hearts: 8 Years of Writings from the Love and Rage Revolutionary Anarchist Federation

The Love and Rage Federation was perhaps the most visible revolutionary anarchist organization in North America in the last few decades. This book keeps alive the many key political contributions Love and Rage made to debates around anarchism and organization, race, white supremacy and the national question, as well as documenting the rise and fall of an important political movement.

Roy San Filippo was an activist with the Love and Rage Federation and a member of the Love and Rage Newspaper production group. He is currently in Southern California working on prison and labor issues.
