The Strategic Implications of European Union Enlargement

The Strategic Implications of European Union Enlargement

Enlargement will change the nature of the European Union, but how will it affect international affairs? The EU and its member states command significant economic resources and have launched a Common Foreign and Security Policy. Yet the demands of taking on ten new countries, concluding a constitutional treaty to accommodate decisionmaking, and dissipating acrimony after the war in Iraq, all complicate efforts to develop and enhance the EU's international presence. This book considers the impact of enlargement with respect to the EU's perception of its international role in specific geographical regions. The contributors discuss a range of global issues, including the environment, food policies, development, terrorism, and the use of force. Contributors include Stefan Fröhlich (University of Erlangen-Nuremberg), Hanna Ojanen and Kristi Raik (Finnish Institute of International Affairs), Ulrike Guerot (German Marshall Fund Berlin Office), Stanislaw Tekieli (Center for Eastern Studies, Warsaw), Michael Leigh (European Commission Directorate General for External Affairs), Henri Barkey (Lehigh University), Anne-Marie LeGloannec (Centre d'Etudes et de Recherches Internationales, Foundation Nationale des Sciences Politiques), Stanislav Tkachenko (St. Petersburg University), Nicolae Idu (European Institute of Romania), Ulrich Weisser, Esther Brimmer, Chantal de Jonge Oudraat, and David Michel, (Center for Transatlantic Relations, Johns Hopkins –SAIS), Daniel Gros (CEPS), Angel Ubide (Tudor Investments), Patrick Cronin (CSIS), and Antonio Missoroli (EU Institute for Security Studies).
